**5:30PM Service: “DARE TO REFUSE THE ORIGIN MYTHS THAT CLAIM WHO YOU ARE.” TED Talk by Chetan Bhatt: Sociologist, human rights activist who teaches and writes about the numerous dangers human rights face today from resurgent Far Right movements.**

We all have origin stories and identity myths, our tribal narratives that give us a sense of security and belonging. But sometimes our small-group identities can keep us from connecting with humanity as a whole -- and even keep us from seeing others as human. In a powerful talk about how we understand who we are, Chetan Bhatt challenges us to think creatively about each other and our future. As he puts it: it's time to change the question from "Where are you from?" to "Where are you going?" Presented by Glenn Donnahoe
